

Can you help?

In your post-Christmas clear out can you donate any 'small world toys' or outdoor equipment to BPS?

We are currently making up some NEW equipment boxes for outside play which we are filling with new goodies...

We would love any of the following you may no longer have a use for...

- Boxes of Lego
- Bats and small balls (not hard ones)
 - Small world plastic toys (dinosaurs/animals/people/fairy-tale characters etc)
 - Chalk boards/chalks
 - Toy cars (small ones)
 - Dressing up clothes
 - Construction blocks/bricks

We will have a box in the foyer from Wednesday 3rd January for any good quality donations.

Thank you so much for your support, BPS playground team.
The team are meeting this week to discuss bigger outdoor projects, we'll update you soon ☐
