

# The Minerva Learning Trust

18 October 2018

## Welcome from Kay Taylor, Executive Principal, Minerva Learning Trust

Dear Applicant

Thank you for expressing an interest in becoming a leader in the Minerva Learning Trust. We are a Trust that works together for the benefit of all the children in our care. We respect the individual culture and ethos of each of our schools and have sought to share good practice and centralise services where appropriate. The Trust is committed to supporting and developing our staff as highly competent staff make a significant difference to the learning and wellbeing of children.

The Head of School at Bridport Primary School will continue to have responsibility for their school. Some functions are centralised, such as finances, ICT and personnel issues, and as the Trust grows, further areas will be removed to allow the Headteacher to focus on the core role of ensuring high quality teaching and learning in their school.

We welcome applications from those who could take up post in April but we recognise that we may have to consider an appointment for September 2019. Please specify in your application letter which is better for you and why. Further details about the school will be sent to any applicant that we intend to interview.

If you are ambitious, confident and a strategic thinker who wants to be able to shape their own school community then this is an exciting opportunity for you and we would be delighted to hear from you.

Yours sincerely
