

BPS French Curriculum Overview

At BPS we aim to develop pupils' curiosity and deepen their understanding of the world and other cultures through the teaching of French. Children are encouraged to express their ideas and thoughts in the language and to understand and respond, both in speech and writing.

We currently use the Rising Stars scheme of work for our Key Stage 2 children. The scheme uses animations, photo stories, songs, rhymes and authentic French audio clips to engage the children in learning the language. The children thoroughly enjoy using this scheme and their enjoyment and motivation for learning French is clear.

Below is a list of the units covered by the scheme at the differing stages.
