Tuesday after school Spring 1/2</p>	<p>Encourage participation in and commitment to a variety of sports from a young age. Fitness, health, well-being. Listening skills. Teamwork. Respect for each other</p>
					<p><b>20 Children (max. allowed) Incl 3 PP children (16%) and 7 SEN children (30%) from the two year groups.</b></p>

<b>Year 3 &amp; 4</b> <b>Skateboarding Club</b>	Increase 'street' skills. 20 children mixed boy/girl	<b>£156</b>	WDDC	Year 3&4 Tuesday after school Autumn 1 20 Children.	Accessible club for children as all equipment provided. Given opportunity to use ramps under supervision in safe environment.
					<b>20 Children (max. allowed)</b> <b>Incl. 7 PP children (35%) and 8 SEN</b> <b>(33%) from the two year groups</b>
<b>EYFS</b> <b>Forest School</b>	Outdoor education for both EYFS classes.	<b>£285.84</b>	Kate Melville	Autumn 2015	An inspirational process that offers EYFS children regular opportunities to achieve and develop confidence through hands-on learning in a woodland environment on school grounds.
					<b><u>60 children took part in funded club,</u></b> <b><u>including 100% PP chn and SEN</u></b> <b><u>children.</u></b>
<b>General sports equipment</b>	Updating and adding specialist sports equipment to suit needs of PE lessons.	<b>Approx</b> <b>£230.00</b>	Bill Cox & Debbie Gale (HLTA)	April 2016	Auditing PE equipment and updating/renewing where necessary.

As in 2015/16, the area of focus for Bridport Primary School's Sports Funding:  
To increase participation rates in children's physical activities and clubs, especially among PP children

**Action Plan:** Key: **Objective** impact2014-15 impact2015-16

***Review the impact of the provision:***

**Look at the number of children participating in funded clubs.**

Approximately 170 children participated in after school or lunchtime funded sporting clubs between Sept 14-July 15.

Approxiamtely 300 children participated in after school or lunchtime funded sporting clubs between Sept 15-July 16.

**Focus on children participating least and target them for clubs.**

During staff meeting of June 15, staff were invited to name three children in their class who, through present lifestyle, would reap alot of benefit from joining a school sports club. During sports day I approached a number of children and parents where I could to suggest that their child join running club especially as I could see potential in the child.

Due to the provision given through the year 2015-16, the whole of 3 year groups (approx. 180 children were able to benefit from sports funding activities. This included all of the children who were targeted by individual teachers, especially in years 4 and 6. The feedback from the teachers and children regarding the basketball provision was very positive).During sports day I approached a number of children and parents where I could to suggest that their child join running club especially as I could see potential in the child.

**Look at the range of activities offered.**

In the autumn term, along with all the present sports clubs, we are planning to add skateboarding and hockey as an option for after school clubs.

Hockey and Skateboard clubs were provided. Also basketball.

**Inclusion.**

As with all areas of BPS, PP/SEN children are very much encouraged to take part in sporting activities.

Due to activities offered and the whole year groups involved in 2015-2016, SEN/PP participation was high.

**Support from external experts.**

Netball, KS1 and 2 Football, Dodgeball, Athletics, Tae Kwon Do and Multi skills events are provided by external experts as will

Hockey and Skateboarding, Basketball, Football, Netball, Athletics, Multiskills.

**Increase staff confidence for PE teaching through CPD**

Staff interviews and discussion of staff needs. This has been done in the staff meeting June 2015.

The results will be looked at and IF will be given a brief as to the specific CPD needs of the school. July 2015.

Staff were always present in lessons given by outside provider in order for them to learn skills and boost CPD in certain areas. BC met with KS1 and offered guidance on delivery of PE lessons. Real PE lesson plans passed to KS1 for lesson inspiration.

Better outcomes for children regarding techniques and ideas due to enhanced teaching and learning

New and better subject knowledge

**Improve pupil's awareness of health**

Children will have an increased awareness of health issues.

Healthy Eating Week a possibility and link to exercise taken by pupils. Lunch box survey. Link with Green Team.

Reintroduce the provision of other activities such as skateboarding, hockey which will be showcased at the Summer Fair June 2015. Done

During Sports Day assembly, BC delivered talk on the risks of sugar and its presence in our diets – Raising children's awareness of healthy eating.

The total Sport Funding that BPS receives April 2015 to August 2016 is **£7,344.00** An extra **£1000** was raised from the school-wide Superschools initiative in October 2015.

The total that BPS pay to Colfox for IF April 2015 to August 2016 is **£6,499.42**

# Through the use of Irene Fairley as School Sports Co-Ordinator, Bridport Primary School took part in the following events:

SGQ\* - School Games Qualifier

Due to better communication and planning, the children were involved in more events 2015-16 than the previous year, increasing impact of funding on whole school. The main obstacle preventing the school from participating in all of the events was clashes in school diary with event dates. Out of 14 events planned, BPS took part in 11.

**In response to the targets set at Sports Funding Report to Governors in December 2016:**

**p.3**

- Target participation in activities offered for 2015/16 is 12 events across the year groups; an 86% uptake
- Participation in 2015/16 was 11 events out of 14, a 79% uptake. However, as explained above, BPS was unable to participate in 3 events due to year group or whole school diary clashes.

**p.4**

- Since July 2015, BPS has offered funded opportunities for KS1 and Year 3 & 4 Football Clubs, Key Stage 2 Dodgeball, Year 3 & 4 Skateboarding Club, Hockey Club, Year 6 and 4 Basketball in curriculum time.

**p.5**

'In sports funded clubs and lessons offered to children from July 2015 – December 2015, 24% of participants were PP children.'

'In general terms, the BPS target for PP children's participation in sports funded clubs is 30% to the end of July 2016.'

**p.6**

'Target: all year groups and 100% of PP children by December 2016 as the offer of funded clubs and curriculum time filters down to Key Stage 1.'

**p.7**

'Real PE: something that the school will be investigating along with other schools in the cluster. A new PE Curriculum that BPS has ownership of.'

BC and Debbie Gale have looked into the potential Real PE provision across the Key Stages and agreed that the provision that the children already receive in Key Stage 2 is a wide and varied diet of skills conforming to the National Curriculum which are delivered well. DG has looked further into the provision of Real PE for Key Stage 1 and will be using some of the methods to support her already extensive experience and excellent delivery. This experience will be passed onto the Key Stage 1 teachers as they observe Debbie's methods and use the literature and lesson plans provided.

**See table below for PP children's participation.**

## Impact of sports funding on PP children for the year 2015 - 16

<b>Year Group</b>	<b>Activity</b>	<b>PP child participation</b>
<b>EYFS</b>	Forest Schools	<b>100%</b>
<b>Year 1</b>	Year 1 Multi skills festival at SJC Nov 15 Football Club, Multi skills Club	<b>100%</b>
<b>Year 2</b>	Year 2 multi skills Festival at SJC July 16 Football Club, Multi skills Club	<b>100%</b>
<b>Year 3</b>	Football Club Skateboarding Club Hockey Club Tennis Dance festival	<b>100%</b>
<b>Year 4</b>	Basketball Football Club Hockey Club Skateboarding Club	<b>100%</b>
<b>Year 5</b>	Year 5 multi skills festival at SJC June 16 Kwik Cricket coaching	<b>100%</b>
<b>Year 6</b>	Basketball Multi skills	<b>100%</b>

Throughout 2015-16, BC and IF have been in close contact with an aim to monitor the impact of the Sports Funding. They have met on 3 occasions outside PLT meetings in order to look into plans to widen the provision for a large school such as BPS and to obtain the Sainsbury's School Sports Award for which BPS, at present, holds a Silver Mark. The Year 2 festival, which will include the training of 12 Year 5 Sports Leaders was planned specially for BPS and St Marys School for this reason. In 2016-17, there will be more 1:1 meetings to gauge ongoing impact and provision.

**An example of the impact of the sports funding:**

Certain PP children in the year groups have been targeted by teachers and communication has been very positive between teacher/TLAs in the school and these children's parents. A good example has been the Churchouse twins in year 3 who have taken advantage of the funding provided by the school in order to attend every extra-curricular club that has been available. This provision has led to a positive impact on their behaviour in school as they are relatively more aware of the behaviour required to take part in team activities and it has also improved their skill set as they learn new disciplines.
