

Bridport Primary School

Home-School Agreement

*'Bridport Primary
believing in a
world of possibilities'*

Our Home-School agreement is designed to outline the way staff, children and families work together at Bridport Primary. We consider ourselves to be a part of our local community and our agreement reflects this partnership.

When your child comes to our school we welcome your involvement and ideas at every step of their journey. We feel that the areas outlined in this agreement will enable us to work closely with you and establish a clear set of responsibilities for each of us as key members of our school.
