Headteacher: **Mrs Debbie Brown** 'Believing in a world of possibilities'

Dear Families,

26<sup>th</sup> January 2015

After an inspection where a school requires improvement Her Majesty's Inspectors complete a follow up visit within four to twelve weeks to determine whether:

*Senior leaders and governors/responsible authority/proprietor/sponsor are taking effective action to tackle the areas requiring improvement identified at the recent section 5 inspection; or*

*Senior leaders and governors/responsible authority/proprietor/sponsor are not taking effective action to tackle the areas requiring improvement identified at the last section 5 inspection.*

We will be receiving our visit from HMI on Friday 30<sup>th</sup> January. David Edwards, the HMI for Dorset will be spending the afternoon in school to meet with key staff and governors to verify actions taken so far to tackle any issues raised under inspection. He will report on his findings within 10 days and this will be published on our website and the Ofsted website accordingly.

We look forward to welcoming David to Bridport Primary and in sharing with him the ongoing work here to improve our wonderful school. A cross section of pupils in KS2 will be part of the process on Friday as David will speak with them as well as interviewing some staff and governors.

As parents you can also contribute if you wish by sharing your views on Ofsted's Parent view site as many of you did during the November inspection. The address for this site is as follows: <https://parentview.ofsted.gov.uk/login?destination=give-your-views>. If you have already contributed you will not be able to enter the same email address again. We welcome new additions to this page and thank you once again for your ongoing positive responses, they continually lift and motivate us all here. David will look at the site during the visit to monitor parent satisfaction levels.

Yours sincerely

Debbie Brown
