Dear Parents

January 4th 2016

As you are aware Bridport Primary School, is part of the Minerva Learning Trust along with, Burton Bradstock CEVC Primary School and St Mary's CEVC Primary School and The Sir John Colfox Academy. A Multi Academy Trust must have an Executive Principal who will be responsible overall for the leadership of the organisation particularly with regard to funding and performance. The Minerva Learning Trust is an exciting development which we hope will benefit all the students in our area. As we believe that this organisation can have a real impact on local education the decision was taken to appoint a full time Executive Principal to lead and manage the Trust. Kay Taylor has been appointed as the new Executive Principal of the Minerva Learning Trust from the point that it converts to be a Multi Academy Trust which we hope will be on 1 April 2016.

Each school will continue to have its own Headteacher and The Sir John Colfox Academy will be appointing an internal candidate as their Head. They will then operate with one Deputy Head in the future rather than two. This way, as much as possible, the money we receive as a Multi Academy Trust will go into the classroom to support teachers and students.

This is an exciting time for the schools in the local area and we look forward to continuing to work with you to support your children as we have in the past.

Yours sincerely

D.Brown (Headteacher)
